

NEXUS RECYCLING CONTAINER

Pretty up your environment with the beautiful Nexus container.

The upscale **Nexus** container could be very attractive in your hotel lobby, your meeting or show rooms, each space you feel chic and style should be your only choice.

Its small foot print despite its 24 US gallons capacity is offering you a compact container service. The **Nexus** container will contribute to reinforce your image by its own presence. To be kept elegant in time, the bag is not visible from the outside and the image is not alterable by scratches since the image is printed inside the transparent sidewall.

Made from different plastic materials, the **Nexus** container is fully recyclable at end of life. Packed in a compact cardboard box, the **Nexus** container can be shipped anywhere at little cost, since the final assembly is done by the user without any special tool in a few minutes.

We are proposing you 4 standard images. Furthermore, you can personalized your **Nexus** container by supplying us your own photo.
